

CELEBRATE ME HOME

— est. 1997 —

COVID – 19 UPDATE

Celebrate Me Home is committed to keeping our team, customers and community safe.

We will re-open our store on Tuesday, May 26th with temporary modified hours:

Monday - Friday: 8am - 4pm

Saturday: 9am - 4pm

Sunday: 10am - 4pm

We will evaluate each week and adjust the schedule and policies and procedures making sure we provide the best possible CMH experience for our team and our customers.

In-Store Policies + Procedures

- You can expect our team to be wearing face masks and we strongly suggest you do the same while in the store. (Complimentary masks will be available when you walk in).
- We kindly ask that you keep your distance (6ft or so) from neighboring shoppers in the store.
- We will wipe down the credit card machines and counters between each transaction and customer.
- To reduce the spread of germs we have put our testers at the counter. If you would like to test something, please ask a team member for assistance.
- For now, self service is unavailable. We will be happy to assist with dispensing house coffee and complimentary water.

****We may have been closed but, WOW, have we been busy!
We can't wait to welcome you back to check out our changes.**
